The Republican ticket in Frankfort Township, made up mostly of incumbents, was without opposition.

The top vote was given to Harold J. Cooper, town clerk, and Burnett Schram, collector, who were up for reelection. That was 292 and the lowest total cast in the seven precincts was 276.

In Frankfort Township the unofficial returns show the vote as follows: for supervisor, George Tate*, Frankfort, 279, for assistant su-

Village Elections Will
Be Held Next Tuesday

Next Tuesday, April 15, voters will go to the polls to select their village officers. Polls will be open from 6 a.m. to 6 p.m.

April has been a busy month for voters. They cast ballots in the regular township elections April 1 and went to the polls again last Saturday to elect school board members.

Frankfort voters balloted on school bonds the last Saturday in March, approving a \$415,000 issue to build an addition and to repair and remodel two buildings, and last Saturday New Lenox citizens voted on a \$1,200,000 revenue bond issue necessary for building a central water system and expanding the sanitary sewer system.

Revenue bonds do not have to be approved by the voters,

as do bonds paid off thru taxes, such as general obligation bonds. There is a provision that a referendum must be held on revenue bonds if a sufficient number of persons file a petition requesting such. A petition was filed at New Lenox. Whether or not it was a valid petition was not determined by the New Lenox village board. To avoid any delay in the project the village board set April 5 as the date for a referendum.

Three trustees are to be elected to the village board at New Lenox. Two of the candidates are incumbents, Robert Randolph and Jack Batson. There are also three other candidates in the field, Harvey Cross, who filed the petition asking for a referendum on the revenue bonds, is

one of them. He denies that he is against a central water supply.

The other two running at New Lenox are Howard Hutchins, owner of a paint store, and James Warning, who lives on Fir St.

The village hall on Church St. will serve as the polling place.

Mokena is the other area municipality in which there will be contests for village offices.

At Mokena none of the incumbents, Mayor Erich Book or Trustees George Bills, Roy Richardson and Clarence Zugenbuehler, chose to seek re-election.

So the situation lines up with one group running as a team with a candidate for mayor and the three trustee posts, one independent candidate for trustee, two independents running for mayor and Village Clerk Alvin Sorensen running for reelection without opposition.

The "team ticket" is made up of Will Tuttle, candidate for mayor, Chester D. Ebert, Lyman F. Teague and Kenneth W. Warning running for trustees.

The independent candidate for trustee is Martin D. Thompson, who resides on Third St. and is a newcomer to the village.

Running for mayor are Thomas Deeb, who also resides on Third St., and is employed by the Argonne Laboratory, and Delbert J. Drackley, station agent for the Rock Island. He resides on Denny St., across from the depot.

The village hall on Front St. will serve as the polling place.

At Frankfort there will be no contests. Mayor Glenn Warning is a candidate for re-election as is the veteran village clerk, Walter Pfaff.

Lynn Kohlhausen, chairman of the street and building committees will seek another term. However, John Topp, a former member of the board who consented to come back and serve out the unexpired term of James McLemore, declined to run again. Also not running is Jerry Francis, who is finishing up his initial term on the board. Running for those two places on the board are Michael McAndrew and Howard Woodman.

The village hall on Kansas St., is the polling place.

RE-ELECT MELVIN H. DOOGAN

VILLAGE PRESIDENT
 OF
 ORLAND PARK

Melvin H. Doogan, incumbent Village President of Orland Park, is running for re-election on Tuesday, April 15. As president he has served with responsibility, the best interests of Orland Park. Prior to his election to the office of president, he served 14 years as an elected Village Trustee and was a member of every committee in the village government. Experience gained with his work on the Planning Commission has been especially valuable to him as president. Mr. Doogan was recently

chosen to serve on the Executive Board of the Palos-Orland-Worth Township Council. He has been a fireman and Chief of the Orland Park Volunteer Fire Department. In his platform four years ago, Mr. Doogan promised improvements in building and planning programs. The promises were fulfilled.

Mr. Doogan's plans for the future include direct - access freeways for the Orland area and orderly building programs; planned industrial growth beneficial to the Orland Community and a Youth Program which will incorporate teen-oriented recreational activities. Mr. Doogan has realized two park sites: Schussler Park in Fairway Estates and the Hills Park in Orland Hills. Funds have been earmarked and more will be set aside for a field house for each park - tennis courts in each are now under construction.

For children in the vicinity of the Village Hall, playground equipment is to be installed on the land behind that building. An overpass above the Norfolk and Western Railroad tracks at 147th st. is being planned which will provide better access to schools and the park for residents of Tuckaway, Wildwood and Oak Meadows. It is to be financed with motor fuel tax money. A site for a new public library has been acquired at 151st st. and West ave.

Mr. Doogan is employed as Equipment Superintendent of the O'Neil Construction company of Chicago. He has been a resident of Orland Park for 31 years and lives with his wife Alice and daughters Kathleen and Joan at 10030 W. 146th st.

The next four years will determine the direction in which the Orland community is to grow. It is probably more essential at this time than at any before to have qualified men guiding Orland Park's growth.

The odds are— It'll last as long as the house.

Blames Grass Fires On Carelessness

Dolores Anderson
Telephone 485-2365

Grass fires are a needless waste of manpower and equipment usage, reports Chief Ed Falck of the New Lenox Volunteer Fire Department. He said that grass and cornfield fires do not ignite by themselves but are the direct result of someones carelessness.

An unwatched fire in a rubbish burner is a dangerous thing, he said. A flying spark, a dry fluff of grass or leaves and a fire has been started that scorches the earth.

Chief Falck said that each response to what starts as a grass fire has the potential danger of turning into a building fire. He said the rescue truck accompanies the fire trucks on all grass fire runs because of the hazards of injury or possible loss of life these fires present.

Regardless of how wet the ground might be, or how much it rained the day before, a little wind dries the dead grass to the tinder stage, said the chief. He requests that rubbish not be burned on a windy day and further, that even on a calm day, a hose or other water source should be available to extinguish any fire that might get started before it causes damage to your property or to the neighbors landscaping or buildings.

The fire department will respond to all calls for help, Chief Falck said, but added that fighting grass fires is a hot, dirty and uncalled for job and that "the spark you carelessly let get away from you will be taking firemen away from their jobs and families to put it out for you."

Arbury Hills Plan Vision - Hearing Program April 22

Mrs. Edward Hovi
Telephone 479-5740

The Arbury Hills Lions Club and the Summit Hills Parent-Teacher Organization are co-sponsoring a vision-hearing screening with the Will County Health Department. It will cover the children ages 3 1/2 thru 5.

In Arbury Hills the Parent - Teacher Organization will provide volunteers for the program. Mrs. Donald Munday is the chairman of the group.

Parents who wish to have their children receive the screening tests must register on April 22 between the hours of 9:00 a.m. through 11:30 a.m. and 1:00-2:00 p.m. at the Arbury Hills School.

The tests will be given on May 13 and will be available only to those children who are registered. The Will County Health Department will provide technicians to administer the tests.

Due to the nature of the vision test and the age of the child, a set of training cards and instructions will be given to parents at registration time. These cards will familiarize the child with the test symbols.

The purpose of the pre-school vision screening is to discover visual problems at an early age when corrections can more easily be made. The vision screening is geared to detect near-sightedness, amblyopia and crossed eye.

Amblyopia is a condition in which a child does not see equally well with both eyes. The condition may result in the weaker eye ceasing to develop. When this happens the strong eye takes over and the child may become blind in the weaker eye. After the age of six years, chances for recovery in the weak eye are poor.

Cross-eye is a condition in which an eye does not focus on the object at which the individual is looking. If only slightly crossed it can only be detected thru a screening test. It can usually be corrected thru treatment.

Those who do not pass the first test will be given a re-test a few days later.

The hearing test is given by an audiometer to measure the child's hearing. It takes less than two minutes. He is asked to signal as soon as he hears each tone given which vary in pitch. There will be a re-test given for those who do not pass the first test. A third test called a threshold test is given to those who do not pass the second test.

The Summit Hill Parent-Teacher Organization will hold its monthly general meeting of Thursday evening, April 17 due to the spring vacation the previous week.

This meeting, as in past years will be the election

meeting for the officers for the coming school year. They will be invested during the May meeting.

Following the business meeting there will be the presentation of a vacation film. It is entitled, "Illinois Holiday".

The First Nighters will hold their April meeting at the home of Mrs. Mary Bucher on Beechnut Drive tomorrow evening, Thursday, April 10, beginning at 8:00 P.M. The date was changed to allow each of the ladies to spend Holy Week in the manner she wished.

The Arbury Hills Baseball League will hold a general meeting at the school on Tuesday, April 15, beginning at 8 p.m. to discuss the opening day festivities for the baseball season. Come on over to express your opinion. Too much fuss and feathers? Too little? Let's hear from you at the meeting instead of grousing about it on the telephone to your friends.

Don't forget to set aside this Saturday evening, April 12 for the Baseball Dance. Most of the operating funds are raised each year with the proceeds from this annual dance. Show up and see how painless your donation can be. A very pleasant way to help out our boys.

Tickets will be \$1.75 per person and may be obtained either from any of the officers or at the door on the evening of the dance.

Before you head out to the dance, make sure that you get

to the school to cast your vote. There will be four ballots.

There will be the election of the board of directors of the Junior College. It will run on April 12 from 7 a.m. until 7 p.m. Then there is the Lincoln-Way High School board election.

The polls also will be open for the two local issues from 12 noon until 7 p.m. for the election of two directors for the Arbury Hills School. There are three men running on the ballot, Julius Sandy, and John Hayden, who are the incumbents and Woodrow Horton. Think it thru then vote.

The third issue to be voted on April 12 is the \$125,000 bond issue to provide an addition to the present school. It is to include additional classrooms, a larger gym and shower facilities, and more sanitary facilities. The cost of the addition to the tax payer will be 8 cents per \$100 assessed valuation. This would amount to approximately \$8 to \$10 per year.

If the proposed increase in the state aid to education should be approved the present level of \$400 per child per year would be raised to \$550. This would give the school district an additional \$50,000 to \$70,000 per year depending on enrollment.

In order to answer any questions you may have pertaining to the bond issue to be voted upon, there will be an open meeting at the school tonight, Wednesday, April 9, beginning at 8 p.m. to clarify

any matter on the bond issue you find unclear.

The trip scheduled for the Galena area had to be rescheduled when the weather bureau forecast the return of winter to the area. The trip will hopefully be taken over the week end of April 19. Good luck, boys!

The Cub Scouts held their March pack meeting at the school on March 28. During the meeting there were awards given to those boys who had earned them during the previous month: Russell Ervick, three silver arrow points; Jim Hecht, one silver arrow point; Ed Hill, two silver arrow points; David Lee, one gold and one silver arrow point; Don Mathieson, one gold and one silver arrow point; Lester McHargue, a Wolf badge and one gold arrow point; Gary Miller, one gold and one silver arrow

point; Greg Searles, two silver arrow points and Richard Zmolek, two silver arrow points.

In addition there were dinner bars given to Richard Boothe of the Webelos and assistant dinner bars given to Tim Kennard also of the Webelos. Mike Ervic was given his Webelos Badge.

There were a couple of first birthday parties recently in our community. Jimmy Lee, son of Mr. and Mrs. James Lee on Willow Lane celebrated his first birthday with a family birthday party.

Patrick Berry, son of Mr. and Mrs. Berry on Elm Av. celebrated his first birthday with a family party. He was given a treat when his grandfather, George Seyler came in from his home in Michigan for the Easter holiday and to wish him a happy birthday!

Scientific Prayer

Before men could fly the first
airplane, they had to do more
than want to fly, they had to
learn the laws of flight to set
them free from the earth.

Similarly, when men pray
and seem to receive no answer,
can it be that they have some-

prayer... and about the

A REPORT FROM SPRINGFIELD

With three months of the legislative session now history,
no important issues have been resolved. That will not hap-
pen for some time yet. However, some things of interest
have emerged which ought to be reviewed.

For months nearly everyone has been saying that the
state faces fiscal chaos. I think everyone realizes that a ser-
ious problem exists, but no one has yet spelled it out in
clear and precise terms. I have always contended that
school districts and municipalities also have financial prob-
lems which are too often overlooked. It is these govern-
mental units which must rely on the yield from property
taxes which have now gotten so astronomical as to dis-
courage home buying.

It has been my feeling that we ought to try to devise a
tax system which would be of benefit to the state and to
the school districts and not be an extra burden on the
homeowners. The ultimate solution is a new Constitution,
but that will not have any effect until the fall of 1971 at
the earliest. However, I do feel that any new or additional
taxes which have to be imposed this year should be used
as a credit against the property tax and/or that some of
the yield can be sent back to local school districts.

The Governor has submitted this budget and tax pro-
posal to the General Assembly and the development of an
adequate and equitable tax program is now up to the
legislature.

One other thing I would like to report. That is the satis-
faction I received when, as a member of the House Con-
servation Committee, I was able to vote in favor of H.B.
18 repealing the 1967 Gun Owner's Identification Act. I
voted against that Act in 1967, and I feel that the people
were deceived into thinking that it would do something
about crime. In fact, it only made the law-abiding citi-
zens who owned a gun feel like a criminal. I favor a
mandatory seven-year sentence for all persons who have
been convicted of a crime where the use of a gun was in-
volved. We ought to be able to pass such a law this year.

Sincerely,
William G. Barr

N L Wins Two Tournaments

New Lenox Grade school wrestlers are top hands in this mat business this year under the guidance of Coach Terry Weber, of Mokena.

The New Lenox team won the 11th Lincoln-Way High School wrestling tourney for grade pupils and then went on and took the third annual

George Werden Buck Boys' Club tournament at Joliet.

Individual winners at Lincoln-Way were, John Klint, 70 lbs.; Gary Hawkins, 80 lbs.; Jim Dodson, 85 lbs.; John Nakashima, 90 lbs.; Jim Skiniotes, 95 lbs.; Chip Tyler, 100 lbs.; Ron Hancock, 105 lbs.; Mike Hammerstein,

120 lbs.; Greg Chellino, 125 lbs.; Joe Cullen, 135 lbs. and Scott Weiclaw, heavyweight.

Individual winners at the Boys' Club tournament, John Klint, Jim Dodson, John Nakashima, Jim Skiniotes and Mike Hammerstein.

Klint and Nakashima were awarded the co-outstanding wrestler award for the tournament and Hammerstein won the trophy for recording the most pins.

In the regular season the team won six of its nine starts.

Group On Mexican Trip

An educational trip to Mexico City and Acapulco is in store for 36 Sandburg High School Spanish students, over Easter vacation.

Mostly students of Miss Donna Kraucelinas, the teenagers will leave from O'Hare via Braniff Airlines, April 4 and will return Saturday, April 12. Miss April Stafco, a Spanish teacher at West Chicago High School, and Mr. Edward DeYoung, a physics teacher at Sandburg will chaperone the students.

"This trip was organized so Spanish students could have the opportunity, after having studied Spanish for some six or seven years, to actually use the language in a country where Spanish is spoken," Miss Kraucelinas said.

"Since Mexico is so close to the U.S.A., it was natural to pick that country rather than any other at this time. Perhaps later, if we are successful, we can have such a trip to Spain," Miss Kraucelinas added.

Saturday, the group will tour Mexico City and view

a jai alai game. Sunday, the world's largest bullfight ring will be visited and most will see their first bullfight.

Monday, the tour moves to Taxco, city of the Cathedral of Santa Prisco, and famous silver shops. Wednesday and Thursday will be spent in Acapulco and a boat ride to nearby islands is part of Thursday's plans. After one stop in San Antonio Saturday, the group will arrive at O'Hare in the early afternoon.

The trip is not school sponsored and was arranged by Sea and Sky Travel Agency, Boersma Tours, Glen Ellyn; and Miss Kraucelinas.

"In Mexico, I intend to try surfing and parachuting," senior Ed Kuypers said. "I want to get a few paintings or sculptures. To get money for the trip, I worked at Jewel-Osco as a stock boy," he said.

"Speaking with native Mexicans will be much different than speaking with classmates," predicted Cheryl Erasmus, a junior.

NI-Gas Sponsors TV Film

"Meet George Washington", an original one-hour documentary, will be presented over NBC television on Thursday evening, April 24.

The full-color production, sponsored locally by Northern Illinois Gas Company, is scheduled for 6:30 p.m. (CST).

It will be narrated by Melvyn Douglas, who tells the story of the complex nature of our nation's first President.

The documentary tells not of a tyrannical military man, but rather of a general who took the time to personally visit wounded men in field hospitals; of a man human enough to love dancing and the manly "art" of wrestling.

Sandburg PTA Backs Drama Of Wild West

A wild Western comedy will be staged at Sandburg High School, Orland Park, April 24, 25, and 26 when "The Death and Life of Sneaky Fitch" catches the 8 p.m. stage.

The play is sponsored by the PTA which hopes to use any profits for a scholarship fund. Speech teacher Miss Marianne Zern is the director.

The cast of the satirical Western stars Mark Kaptur as Sneaky Fitch, Sue Butera as the narrator, Jim Stephens as Rackham, Mervyn Vale, played by Dave Lyons; Mrs. Vale, Mary Halbach; Maroon, Andrea Ellis; Bar Girl, Karen Roddy; Sheriff, Kevin Sullivan; Doc, Ed Gabel; Preacher, Bob Slater; Mrs. Black-

wood, Martha Gay; Joe Carter, Keary Trent; Bill Jackson, Steve Carlson; Bob Wilson, Al Fial.

Cowboys will be played by Brendan Greene, Mark Huml, and Rick Huttel; townsfolk by Nancy Hackel, Marian Polito, Angie Sinickas, Kathy Ganch, Marney Wyman, and Joe Halbach; and singers and players by Mike Lyons, Dennis Judd, Russ Loomis, Mary Bourke, Druscilla Radosevitch, and Lynn Karbowski.

Student directors assisting Miss Zern are Ryan Ambruster and George Scholz.

Just about everything is old familiar Western, except the plot. The hero, in this case, does not shoot the bad guys and get the girl in the end.
